

Appl. No. 10/053,183

Reply to Office Action of June 18, 2004

**REMARKS**

This is a full and timely response to the final Office Action mailed June 18, 2004.

Reexamination and reconsideration in view of the foregoing amendments and following remarks is respectfully solicited. Claims 2-17 are pending in this application, with claims 4, 6, 7, 8, 12 and 15 being the independent claims. Claims 2, 4, 5, 6 and 7, have been amended and claim 1 has been canceled.

**Request to Admit the Amendment**

Applicant submits that the foregoing amendment complies with requirements of form set forth in the office action. Pursuant to 37 C.F.R. § 1.116(b), Applicant requests the Examiner admit the amendment.

**Rejections under 35 U.S.C. § 112**

Claim 1-7 and 11 were rejected by the Examiner under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically, the Examiner stated that the limitation of "the line replacement unit" in independent claim 1 was without sufficient antecedent basis. In this response, applicant has cancelled claim 1. Claims 4, 6 and 7 were amended to include the limitations of claim 1. In those claims, this limitation has been amended to recite "the line replaceable unit". Applicant

submits that the amended limitation has proper antecedent support, and that claims 2-7 and 11 are now believed to conform with Section 112. Applicant respectfully requests that the rejection of claims 2-7 and 11 under 35 U.S.C. § 112 be withdrawn.

#### **Indication of Allowable Subject Matter**

In the office action, the Examiner allowed claims 8, 9, 10, 12, 13, 14 and 15-17. The Examiner objected to claims 4, 6, 7 and 11 as being dependent upon a rejected base claim, but indicated these claims would be allowable if rewritten in independent form. Accordingly, applicants have amended claims 4, 6, and 7, rewriting these claims in independent form, including all the limitations of the base claim and any intervening claims. Applicants thus submit that amended independent claims 4, 6 and 7 are now allowable. Furthermore, as claim 5 depends from, and includes all the limitations of amended independent claim 4, it is also submitted to be allowable. Finally, as claims 2, 3, and 11 depend from, and include all the limitations of amended independent claim 7, they are also submitted to be allowable.

#### **Conclusion**

Accordingly, applicant respectfully submits that the application, as amended, is now in condition for allowance, and such allowance is therefore earnestly requested. Should the Examiner have any questions or wish to further discuss this application, applicant requests that the Examiner contact the Applicant's attorneys at the number below.
